Development Hearing Officer
City of Albuquerque

RE: Request for Vacation of Public Easement off of Slate Avenue NW; part of a proposed lot consolidation for Tract A-1, Bernalillo County Metropolitan Court and Lot 8-A, Block N, Mandell Business and Residence Addition.

Development Hearing Officer:

As agent for the Bernalillo County Metropolitan Courthouse, property located at 401 Lomas Blvd NW. I will be requesting approval from the Development Hearing Officer (DHO) and the City of Albuquerque Council a (1) vacation of public easement. The vacation action is in conjunction with a lot consolidation of Courthouse properties.

The proposed vacation and lot consolidation were presented to the Development Review Board on September 1, 2021 under PR 2020-003485 / PS 2021-00103.

The vacation of public easement is off of Slate Avenue just east of 5th Street. The public easement is a dead end and currently serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 1,209 square feet. As a result of exceeding the 500 square foot threshold for vacation of a public easement the request requires City Council approval.

The interest in the vacation of this public easement off of Slate Avenue and a partner vacation of public right-of-way is officially allow the Court to restrict access to authorized personnel in a more secure manner.

In an effort to locate the document and origin of the public easement, it appears to be connected to V-97-133. An IPRA request was unable to locate the record under #23-1556.

The Bernalillo County Metropolitan Court has taken steps to purchase the property between the courthouse and parking structure to secure the property boundaries, as there have been many safety concerns including a vehicle driving into the front entrance of the courthouse. The vacation of Slate and the 16' alleyway will help us take additional steps to secure the property for the safety of public citizens, Judges, and court employees. The plan is to hire an architect to design a plan to secure the boundaries and have one main entrance for the public and court employees to enter into the Metropolitan Court property so that safety and security can be maintained more effectively and efficiently.

The process will then formally absorb the vacated area into the rest of the Courthouse property through consolidation into one legal lot of record completing the interest and ability control access of these areas to authorized personnel.

Subject to §14-16-6-6(M)(3) Review and Decision Criteria for a Vacation of Public Right-of-way, the criteria is met in the following manner:

- 6-6(M)(3)(a): The public welfare does not require that the easement, private way, or public right-of-way retained.
 - *As a result of the Vacation, the public welfare does not require retention of the public right-of-way in that the Courthouse owns the property surrounding the proposed vacation site. As previously mentioned, control of the property in conjunction with the proposed lot consolidation will allow the Court to address safety concerns and trespassing that have impacted the public, Court employees and judges. The partner Vacation of public right-of-way provides sole connection to the subject public easement. Completion of the Vacation will allow the Court to more effectively secure the property with limited access. The proposed Vacation will also complete the vacation of Slate Avenue between 4th Street and 5th Street along with the opportunity to further secure the property supporting this Criteria.*
- 6-6(M)(3)(b): There is a net benefit to the public welfare because the development made possible by the Vacation is clearly more beneficial to the public welfare than the minor detriment resulting from the Vacation, and there is no convincing evidence that any substantial property right is being abridged against the will of the owner of right.
 - *The net benefit to the public welfare continues to revolve around reinforcing safety and security by limiting access to the property to members of the public who have official business at the Courthouse either as an employee or judge. Issues regarding the Court's inability to control access from the existing public right-of-way have been a concern as Slate Avenue and connection to the public easement currently ends on the subject property. The completed Vacation will be more beneficial to the public welfare nor will any substantial property right will be abridged since the Court owns the surrounding property and will be reinforced with the lot consolidation.*

Upon completing the vacation process, the Courthouse will proceed with acquisition of the vacated property through coordination with the Real Property Division and the City Department of Municipal Development. Preliminary conversations with staff have been initiated in this effort that include assessment and evaluation of the market calculated at \$6 per square foot.

Thank you,

Derrick Archuleta

SIGN POSTING AGREEMENT

REQUIREMENTS

POSTING SIGNS ANNOUNCING PUBLIC HEARINGS

All persons making application to the City under the requirements and procedures established by the Integrated Development Ordinance are responsible for the posting and maintaining of one or more signs on the property which is subject to the application, as shown in Table 6-1-1. Vacations of public rights-of-way (if the way has been in use) also require signs. Waterproof signs are provided at the time of application for a \$10 fee per sign. If the application is mailed, you must still stop at the Development Services Front Counter to pick up the sign(s).

The applicant is responsible for ensuring that the signs remain posted throughout the 15-day period prior to any public meeting or hearing. Failure to maintain the signs during this entire period may be cause for deferral or denial of the application. Replacement signs for those lost or damaged are available from the Development Services Front Counter.

1. LOCATION

- A. The sign shall be conspicuously located. It shall be located within twenty feet of the public sidewalk (or edge of public street). Staff may indicate a specific location.
- B. The face of the sign shall be parallel to the street, and the bottom of the sign shall be at least two feet from the ground.
- C. No barrier shall prevent a person from coming within five feet of the sign to read it.

2. NUMBER

- A. One sign shall be posted on each paved street frontage. Signs may be required on unpaved street frontages.
- B. If the land does not abut a public street, then, in addition to a sign placed on the property, a sign shall be placed on and at the edge of the public right-of-way of the nearest paved City street. Such a sign must direct readers toward the subject property by an arrow and an indication of distance.

3. PHYSICAL POSTING

- A. A heavy stake with two crossbars or a full plywood backing works best to keep the sign in place, especially during high winds.
- B. Large headed nails or staples are best for attaching signs to a post or backing; the sign tears out less easily.

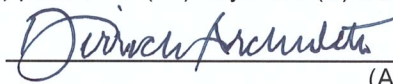

4. TIME

Signs must be posted from _____ To _____

5. REMOVAL

- A. The sign is not to be removed before the initial hearing on the request.
- B. The sign should be removed within five (5) days after the initial hearing.

I have read this sheet and discussed it with the Development Services Front Counter Staff. I understand (A) my obligation to keep the sign(s) posted for (15) days and (B) where the sign(s) are to be located. I am being given a copy of this sheet.

To Neighborhood Associations and members:

I represent the Bernalillo County Metropolitan Courthouse, property located at 401 Lomas Blvd NW.

As agent for the Courthouse, I will be requesting approval from the Development Review Board (DRB) and the City of Albuquerque Council a (1) vacation of public right-of-way and (2) vacation of public easement.

The vacation of public right-of-way is for Slate Avenue just east of 5th Street. The right-of-way is a dead end and currently serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 9,507.12 square feet.

The vacation of public easement is for an alley accessed from Slate Avenue. This public easement also serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 1,209.78 square feet.

The interest in the vacation of this portion of Slate Avenue and the public easement is officially allow the Court to restrict access to authorized personnel in a more secure manner.

The Bernalillo County Metropolitan Court has taken steps to purchase the property between the courthouse and parking structure to secure the property boundaries, as there have been many safety concerns including a vehicle driving into the front entrance of the courthouse. The vacation of Slate and the 16' alleyway will help us take additional steps to secure the property for the safety of public citizens, Judges, and court employees. The plan is to hire an architect to design a plan to secure the boundaries and have one main entrance for the public and court employees to enter into the Metropolitan Court property so that safety and security can be maintained more effectively and efficiently.

As a result of exceeding the 5,000 square foot threshold for vacation of right-of-way (Slate Avenue) and 500 square foot threshold for vacation of public easement (alley) the request requires City Council approval.

Upon completing the vacation process, the Courthouse will proceed with acquisition of the vacated property through coordination with the Real Property Division and the City Department of Municipal Development.

The process will then formally absorb the vacated area into the rest of the Courthouse property through consolidation into one legal lot of record completing the interest and ability control access of these areas to authorized personnel.

Message

To Neighborhood Associations and members:

This email is to compliment the previously mailed certified return receipt letter with the same information.

I represent the Bernalillo County Metropolitan Courthouse, property located at 401 Lomas Blvd NW.

As agent for the Courthouse, I will be requesting approval from the Development Hearing Officer (DHO) and the City of Albuquerque Council a (1) vacation of public right-of-way and (2) vacation of public easement. The vacation actions are in conjunction with a lot consolidation of Courthouse properties.

The vacation of public right-of-way is for Slate Avenue just east of 5th Street. The right-of-way is a dead end and currently serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 9,507.12 square feet.

The vacation of public easement is for an alley accessed from Slate Avenue. This public easement also serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 1,209.78 square feet.

The interest in the vacation of this portion of Slate Avenue and the public easement is officially allow the Court to restrict access to authorized personnel in a more secure manner.

The Bernalillo County Metropolitan Court has taken steps to purchase the property between the courthouse and parking structure to secure the property boundaries, as there have been many safety concerns including a vehicle driving into the front entrance of the courthouse.

The vacation of Slate and the 16' alleyway will help us take additional steps to secure the property for the safety of public citizens, Judges, and court employees. The plan is to hire an architect to design a plan to secure the boundaries and have one main entrance for the public and court employees to enter into the Metropolitan Court property so that safety and security can be maintained more effectively and efficiently.

As a result of exceeding the 5,000 square foot threshold for vacation of right-of-way (Slate Avenue) and 500 square foot threshold for vacation of public easement (alley) the request requires City Council approval.

Upon completing the vacation process, the Courthouse will proceed with acquisition of the vacated property through coordination with the Real Property Division and the City Department of Municipal Development.

The process will then formally absorb the vacated area into the rest of the Courthouse property through consolidation into one legal lot of record completing the interest and ability control access of these areas to authorized personnel.

This email is an offer to meet with you to provide additional information.

Per Ordinance, you must respond within 15 consecutive days to: 1) request a meeting; 2) decline the meeting; or 3) support the above request for approval.

I am attaching the following for your convenience:

- 1) Neighborhood Meeting Request Form
- 2) Zone Atlas page
- 3) Site map and areas of vacation
- 4) Proposed lot consolidation
- 5) Photos of vacation area

Please contact me for details or if you have any questions.

Subject: RE: VACATION OF PUBLIC RIGHT-OF-WAY AND VACATION OF PUBLIC EASEMENT - BERNALILLO COUNTY METROPOLITAN COURT

To Neighborhood Associations and members:

I represent the Bernalillo County Metropolitan Courthouse, property located at 401 Lomas Blvd NW.

A Certified return receipt letter was mailed and Wettransfer was emailed previously as an offer to meet in this effort.

As agent for the Courthouse, I will be requesting approval from the Development Review Board (DRB) and the City of Albuquerque Council a (1) vacation of public right-of-way and (2) vacation of public easement.

The vacation of public right-of-way is for Slate Avenue just east of 5th Street. The right-of-way is a dead end and currently serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 9,507.12 square feet.

The vacation of public easement is for an alley accessed from Slate Avenue. This public easement also serves as access to Courthouse staff to a secured parking structure. The vacation amount is approximately 1,209.78 square feet.

The interest in the vacation of this portion of Slate Avenue and the public easement is officially allow the Court to restrict access to authorized personnel in a more secure manner.

As a result of exceeding the 5,000 square foot threshold for vacation of right-of-way (Slate Avenue) and 500 square foot threshold for vacation of public easement (alley) the request requires City Council approval.

Upon completing the vacation process, the Courthouse will proceed with acquisition of the vacated property through coordination with the Real Property Division and the City Department of Municipal Development.

The process will then formally absorb the vacated area into the rest of the Courthouse property through consolidation into one legal lot of record completing the interest and ability control access of these areas to authorized personnel.

This email is an offer to continue the conversation to provide any needed information.

Attached again are the following for your convenience:

- 1) Neighborhood Meeting Request Form
- 2) Neighborhood association list
- 3) Zone Atlas page
- 4) Site map and areas of vacation
- 5) Proposed lot consolidation
- 6) Photos of vacation area

You will receive a notice of hearing pertaining to the each vacation when the meeting date has been scheduled as part of public notice process.

Please contact me for details or if you have any questions regarding either vacation or the process.

Thank you,
