RE: TRACTS 164A-1, 164A-2, 164-A4 & 164-B, MRGCD MAP 31

Ms. Wolfley and members of the Board:

I would like to request Sketch Plat review for a minor subdivision for the above mentioned property. A Sketch Plat was presented to the DRB under PR 2020-003656 / PS 2020-00039 at the April 29, 2020 meeting. The subject application is the same request but seeking updated comments, since it has been over one year.

The property owner would like to consolidate existing Tracts 164A-1, 164A-2, 164-A4 and 164-B, MRGCD Map 31 into one lot. Proposed Lot A, Lands of James and Mary Plummer is to be 0.3138± net acres on property zoned R-A (Rural and Agricultural)

The property is currently developed with a single family residence which bisects aforementioned lots.

The site is governed by the Area of Consistency of the Albuquerque/Bernalillo County Comprehensive Plan within the Near North Valley Planning Area.

Thank you for your time and consideration of the proposed application.

Sincerely,

Derrick Archuleta, MCRP
Principal
