Angela,

Enclosed are 5 documents concerning Tierra West's Wintergreen Apartments Proposal. With the Edge Buffer input I could not figure how to attach the drainage pond plats - do you need them? Also, please let me know if all the documents came through (I have a Mac and had to convert the documents to word and pdf. The following documents are included:

1. City Center and Corridor Issues
2. Edge Buffer
3. Notification
4. Comp Plan
5. State Statutes
