Dear Kathie Long,

The Development Review Board heard this case on July 27, 2020 and deferred it to the meeting of August 5, 2020. I am including the information about why we are having virtual meetings and how you can participate.

We wish to inform you that the City's 'Seventh Declaration of Local Emergency Due to Novel Coronavirus COVID-19' signed July 13, 2020 includes the following statement which authorizes the DRB to conduct a virtual meeting via teleconference or videoconference:

The DRB will make every effort to help the public wanting to participate in a DRB meeting to do so successfully. You have both an opportunity to speak or to ask questions of the applicant (cross examination). Please refer to the attachment for instructions in using the Zoom platform which is the videoconference software currently in use by the DRB.
