I did catch that, too, but figured you meant the 22nd.

Many thanks for the detailed information.

You all take care, and be safe out there.

Dear Edward Padilla,

The Development Review Board heard this case on July 27, 2020 and deferred it to the meeting of August 5, 2020. I am including the information about why we are having virtual meetings and how you can participate.

We wish to inform you that the City's 'Seventh Declaration of Local Emergency Due to Novel Coronavirus COVID-19' signed July 13, 2020 includes the following statement which authorizes the DRB to conduct a virtual meeting via teleconference or videoconference:

9. Pursuant to the need for responsive and well-informed government continuity during the current emergency, all public boards, commissions, and committees subject to the Public Boards and Commissions Ordinance, § 2-6-1-1 *et seq.*, are hereby authorized to conduct virtual meetings via teleconference or videoconference for the duration of this Order; and

The DRB will make every effort to help the public wanting to participate in a DRB meeting to do so successfully. You have both an opportunity to speak or to ask questions of the applicant (cross examination). Please refer to the attachment for instructions in using the Zoom platform which is the videoconference software currently in use by the DRB.

Subject: Proj. #4030

Greeting Ms. Wolfley,

If at all possible please delay the Zoom agenda topic for Project #4030 to a later date when more members of the Seven Bar HOA can attend. I am working at the time of this Zoom meeting, as I am sure others are as well. This topic is extremely important to members of the Seven Bar HOA, and we would like to participate to voice our objection to having these apartments built on the proposed site plan for many of the reasons noted at the first Zoom meeting related to this project.

Respectfully,

Ed Padilla
