Good morning Larry,

You can send any documents/photographic files over 9 megabytes in size to us via WeTransfer (at <https://wetransfer.com/>), and I believe you can send up to three different recipients these documents/files through WeTransfer at once. You should send these documents/files to PLNDRS@cabq.gov, as well as to agomez@cabq.gov and jrodenbeck@cabq.gov. Once the documents/files have been successfully sent via WeTransfer, you will receive email confirmation from WeTransfer that they were sent successfully. The instructions for using WeTransfer are below:

WeTransfer Instructions:

You will initially be directed to a page which gives you the option of going to the free version of the site (send up to 2 GB at a time), or the subscription-based version of the site (send up to 20 GB at a time). Click on the link to the free version of the site, and you will be directed to the free version of the site (a screenshot of the WeTransfer webpage is attached). You just add the email address(es) to send files to, add your files and a message of what you're sending, then click the "Transfer" icon.

When you receive files from a sender on WeTransfer, you will receive an email from the sender. Within the email message is an icon labeled "Get your files" that you click on to download the files from the sender (a screenshot of an email from a sender is attached). Once you click on that icon, a webpage appears with a "Download" icon. Just click on the "Download" icon, and the files sent to you will then download onto your computer. Once you download the files, you can place them where you want. If the sender sends more than one file to you, you will be send a Zip file which you will have extract the individual files from.

Subject: Request for Document(s) Confirmation

Dear Ms. Wolfley,

Due to electronic file size limitations for large documents/photographic files, we are uncertain that all the documents we sent to you and Ms. Gould were ever received from Mike Mirabal, Marsha Kearney and myself Larry Sandoval. Documents were sent back to you several times because they were too large and they were rejected.

We had to send documents with photos and had to break them into smaller files and parts. We are requesting confirmation of all the documents you both received, including parts of documents. Some of the documents are in a PDF format, MS word format or RTF format. We need a list of the documents (files) you and Ms. Gould have received. Please contact me if you have questions per our request.

Thank you,

Larry Sandoval
