RE: Infrastructure List Amendment Application
PR-2020-004138
Plat Application # SD-2023-00160

Dear DHO Chairman,
Huitt-Zollars, Inc. on behalf of Cuesta Del Oro requests deferral of sidewalk and buffer for Montage 6. Sidewalk and Buffer will be completed with home construction estimated by 12/31/26. The purpose of the request is to prevent the amount of damaged sidewalk during home construction.

The Amended Infrastructure List is only for the incomplete sidewalk and buffer in front of home sites.

If you have any questions feel free to call me at 505-235-7211.

Sincerely,
Huitt-Zollars, Inc.

Scott Eddings, PE
Vice President
