On December 2, 2020, the Development Review Board (DRB) held a public meeting concerning the above referenced application and approved the request based on the following Findings:

1. This is a request to extend the Subdivision Improvements Agreement for the above referenced area to allow the completion of the project. It is a request for a 2-year extension.
2. The current Infrastructure List was approved in 2011, and most recently amended on December 6, 2019. No improvements are anticipated to be constructed or completed on Tracts 1 – 10 before the expiration of the SIA, necessitating the extension of the SIA.

Pursuant to 14-16-6-4(X)(4)(a) The applicant has made this request in writing prior to the expiration of the previous approval and the DRB, the original approving body, has made a decision using the same procedure required for the initial approval. The city received the application on October 26, 2020, prior to the expiration of the SIA.
4. This action will extend the approval of the SIA to December 17, 2022.
5. The proper notice was given as required by the IDO.
