Re: Administrative Decision by Archeological Certificate for Proposed Tracts 2-A and 2-B, Avalon Subdivision, Unit 5, located on Daytona Road NW between 98th St NW and Unser Boulevard NW

Members of the Board:

Cartesian Surveys is acting as an agent for the owner and request an administrative decision for Archeological Certificate regarding the effect of subdivision for future development of one (1) existing Tract to create two (2) new Tracts. This certificate is requested to proceed with subdivision procedures as the 13.8085 gross acreage of the proposed subdivision exceeds the 5-acre threshold under 14-16-6-5(A)(1) of the City of Albuquerque IDO and thus requires a no effect certificate to proceed. The property is currently zoned NR-BP.

Thank you for your time and consideration
