Good morning,

I'd like to request deferral for the above mentioned case (PR 2021-005714 / SD 2023-00165) to the meeting of February 7, 2024.

There is some requested information for Transportation that still needs to be completed.

The case is #6 on the January 10 DHO agenda.

If you need additional information let me know.

Thank you

Derrick

Good morning Derrick,

I don't believe we have received a supplemental submittal from you yet for the Preliminary/Final Plat for PR-2021-005714, and it's scheduled to be heard at the upcoming January 10th DHO meeting. DFT comments which still need to be addressed include a revised sidewalk exhibit and cross-section. If you can't submit your supplemental submittal to us at this time, we suggest you request a deferral to a later DHO meeting date.

Thanks,
