RE: Project Description/Justification Letter for a Preliminary Plat Application – 103 proposed lots in the El Rancho Grande Unit 18 Subdivision

Dear Development Hearing Officer,

Community Design Solutions, LLC (CDS), on behalf of Tulane Properties, Inc. and D.R. Horton, Inc., submits this project description/justification letter per the City's preliminary plat application requirements.

The proposed preliminary plat seeks to subdivide Tract 16-D-2, El Rancho Grande, Unit 16, located on Gibson Boulevard SW in Albuquerque, New Mexico, into 7 tracts and 103 residential lots. The proposed development consists of approximately 16.4472 acres and is currently zoned R-1A.

If you have any questions or require additional information, please feel free to contact us.

Sincerely,
Community Design Solutions, LLC

John Stapleton P.E.

SIGN POSTING AGREEMENT

REQUIREMENTS

POSTING SIGNS ANNOUNCING PUBLIC HEARINGS

All persons making application to the City under the requirements and procedures established by the Integrated Development Ordinance are responsible for the posting and maintaining of one or more signs on the property which is subject to the application, as shown in Table 6-1-1. Vacations of public rights-of-way (if the way has been in use) also require signs. Waterproof signs are provided at the time of application for a \$10 fee per sign. If the application is mailed, you must still stop at the Development Services Front Counter to pick up the sign(s).

The applicant is responsible for ensuring that the signs remain posted throughout the 15-day period prior to any public meeting or hearing. Failure to maintain the signs during this entire period may be cause for deferral or denial of the application. Replacement signs for those lost or damaged are available from the Development Services Front Counter.

1. LOCATION

- A. The sign shall be conspicuously located. It shall be located within twenty feet of the public sidewalk (or edge of public street). Staff may indicate a specific location.
- B. The face of the sign shall be parallel to the street, and the bottom of the sign shall be at least two feet from the ground.
- C. No barrier shall prevent a person from coming within five feet of the sign to read it.

2. NUMBER

- A. One sign shall be posted on each paved street frontage. Signs may be required on unpaved street frontages.
- B. If the land does not abut a public street, then, in addition to a sign placed on the property, a sign shall be placed on and at the edge of the public right-of-way of the nearest paved City street. Such a sign must direct readers toward the subject property by an arrow and an indication of distance.

3. PHYSICAL POSTING

- A. A heavy stake with two crossbars or a full plywood backing works best to keep the sign in place, especially during high winds.
- B. Large headed nails or staples are best for attaching signs to a post or backing; the sign tears out less easily.

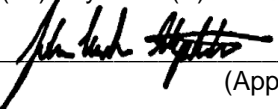

4. TIME

Signs must be posted from Monday, October 27, 2025 To Monday, November 17, 2025

5. REMOVAL

- A. The sign is not to be removed before the initial hearing on the request.
- B. The sign should be removed within five (5) days after the initial hearing.

I have read this sheet and discussed it with the Development Services Front Counter Staff. I understand (A) my obligation to keep the sign(s) posted for (15) days and (B) where the sign(s) are to be located. I am being given a copy of this sheet.
