

#### PURPOSE OF PLAT

This plat has been prepared for the purpose of creating one lot from three existing lots.

#### NOTES

1. Bearings shown on this plat are New Mexico State Plane Grid, Central Zone, NAD 83. Bearings and distances in parenthesis are from existing plat.
2. Perimeter distances are field measurements made on the ground.
3. Monuments recovered and accepted or reset are noted on inscribed plat.
4. No property within the area of requested plat shall at any time be subject to a deed restriction, covenant, or binding agreement prohibiting solar collectors from being installed on buildings or erected on the lots or parcels within the area of proposed plat. The foregoing requirement shall be a condition to approval of this plat.
5. The subject properties (as shown hereon) appear to lie within "Zone X" (Area of minimal flood hazard and determined to be outside the 1% annual chance floodplain) as shown on the National Flood Insurance Program Flood Insurance Rate Map Number 35001C03596 Revised September 26, 2008.
6. Existing public water and/or sanitary sewer infrastructure may not be constructed or sized to adequately serve potential future development. Improvement or upsizing of existing public infrastructure may be required as a condition of future development approval.

#### PUBLIC UTILITY EASEMENTS

PUBLIC UTILITY EASEMENTS shown on this plat are granted for the common and joint use of:  
 A. Public Service Company of New Mexico ("PNM"), a New Mexico corporation, (PNM Electric) for installation, maintenance, and service of overhead and underground electrical lines, transformers, and other equipment and related facilities reasonably necessary to provide electrical services.  
 B. New Mexico Gas Company for installation, maintenance, and service of natural gas lines, valves and other equipment and facilities reasonably necessary to provide natural gas services.  
 C. Qwest Corporation d/b/a CenturyLink QC for the installation, maintenance, and service of such lines, cable, and other related equipment and facilities reasonably necessary to provide communication services.  
 D. Cable companies for the installation, maintenance, and service of such lines, cable, and other related equipment and facilities reasonably necessary to provide Cable services.  
 Included, is the right to build, rebuild, construct, reconstruct, locate, relocate, change, remove, replace, modify, renew, operate and maintain facilities for purposes described above, together with free access to, from, and over said easements, with the right and privilege of going upon, over and across adjoining lands of Grantor for the purposes set forth herein and with the right to utilize the right of way and easement to extend services to customers of Grantee, including sufficient working space for electrical transformers with the right to change to, and remove trees, shrubs, bushes, which interfere with the purposes set forth herein. No building, sign, pool (aboveground or subsurface), hot tub, concrete or wood pool decking, or other structure shall be erected or constructed on said easements, nor shall any well be drilled or operated thereon. Property owners shall be solely responsible for correcting any violations of National Electrical Safety Code by construction of pools, decking, or any structures adjacent to or near easements shown on this plat.

Easements for electric transformer/switchgears, as installed, shall extend ten (10) feet in front of transformer/switchgear doors and five (5) feet on each side.

#### Disclaimer

In preparing this plat, Public Service Company of New Mexico (PNM), New Mexico Gas Company (NMGC) and Qwest Corporation d/b/a CenturyLink (QWEST) did not conduct a Title Search of the properties shown hereon. Consequently, PNM, NMGC and QWEST do not waive or release any easement or easement rights which may have been granted by prior plat, replat or other document and which are not shown on this plat.
