

DEVELOPMENT AGREEMENT
Cibola Loop Apartments

Albuquerque Bernalillo County Water Utility Authority, a New Mexico political subdivision, ("Water Authority") and J Jacob Enterprise Inc, a New Mexico limited liability corporation, ("Developer") (together, "Parties"), agree as follows:

1. Recitals

- A. J Jacob Enterprises Inc is the "Developer" and owner of certain real property located in Cibola Loop Subdivision (collectively, the "Property"). The Property is shown on **Exhibit A** attached hereto and incorporated herein by reference. The Property is located outside of the Water Authority's currently Established Service Area.
- B. The legal description for the property is: TR B-1 BULK PLAT TRACTS A-1, A-2, B-1 & C-1 CIBOLA LOOPSUBDIVISION CONT 5.1785 AC. The Property is more particularly described and shown on **Exhibit B** attached hereto and incorporated herein by reference.
- C. The Property will develop as 171-unit multi-family apartment complex.
- D. The Property is located in Pressure Zone 2WR of the Corrales Trunk.
- E. The Parties desire to agree upon terms and conditions pursuant to which the Water Authority will provide water and sanitary sewer service to the Property. As a condition of such service, the Developer shall construct, or cause to be constructed, extensions of existing public water and sanitary sewer lines and other necessary infrastructure improvements (collectively, "Facility Improvements") under all applicable plans, specifications, requirements, and standards of the Water Authority. The Serviceability Letter for the Property reflecting necessary Facility Improvements referred to in this Agreement is attached hereto as **Exhibit C** and incorporated herein by reference and made a term of this Agreement.
- F. The Facility Improvements referenced in this Agreement are not considered Master Plan improvements by the Water Authority. As such, reimbursement of construction costs associated with their construction will not be available through water and sewer UEC (defined below in Section 3.B) reimbursements.

2. Design and Construction of the Facility Improvements

- A. The Developer will cause definitive designs and plans of the Facility Improvements to be produced which will include estimates of all costs and expenses. The Developer will not take service from the Facility Improvements until the Water Authority has approved the Facility Improvements. The

Developer will obtain all necessary permits, assurances, and approvals from the Water Authority and City, and the Developer will deliver a copy of such permits, assurances, and approvals to the Water Authority prior to the start of construction. Construction will be handled through the City work order process.

- B. The Developer will complete, or cause to be completed, construction of the Facility Improvements as approved by the City of Albuquerque Design Review Committee and the Water Authority, and in conformance with all applicable plans, specifications, and standards of the City and the Water Authority. The Water Authority shall provide service to the Property only after the Water Authority has accepted the Facility Improvements. The Water Authority shall accept, operate and maintain the Facility Improvements after the Developer conveys, at no expense to the Water Authority, all the Facility Improvements together with all real and personal property rights which the Water Authority deems reasonably necessary which shall be free and clear of all claims, encumbrances and liens for the construction, operation and maintenance. The provisions of this Agreement constitute covenants running with the referenced Property for the benefit of the Water Authority and its successors and assigns until terminated, and are binding on the Developer and their heirs, successors and assigns.
- C. The contractor's one (1) year warranty period shall commence upon final project acceptance by the the City. The Developer shall be responsible for conducting an 11 month warranty inspection. Developer shall be responsible for correcting any deficiencies found during the inspection to the satisfaction of the Water Authority.
- D. The Developer will be responsible for close coordination of the project with the Water Authority during the design and construction phases, including review of design details, during the design process, and the approval of specifications and contract documents. The Water Authority will review and approve in a timely manner the design plans for construction and estimated cost, to ensure the designs meet Water Authority standards and follow the guidance provided in the City's Development Process Manual ("DPM") and/or applicable Water Authority Design Manuals.
- E. To the extent relevant and applicable and to the extent there is no conflict with the terms of this Agreement, the usual procedures and documentation, including the Procedure "B", as defined in the Development Process Manual (DPM) of the City and Section 14-16-5-4(G) of the City IDO, will be followed and used for the Facility Improvements.
- F. Upon completion of all Work Order projects, the Developer shall provide to the Water Authority a completed Asset Data Table of the assets installed/constructed or any other asset information required of the Water Authority.

3. Service

- A. The Developer shall comply with the Water Authority's Water and Sewer System Expansion Ordinance, as amended from time to time. Connection for water service shall require the concurrent connection of sanitary sewer service to the Water Authority's wastewater system.
 - B. The Developer or its successor shall pay Utility Expansion Charges (UEC) and the Water Resource Charges (WRCs) at the rates that are imposed at the time of a service connection, as provided in the Water Authority's Water and Sewer Rate Ordinance, as amended from time to time.
 - C. Pursuant to Water Authority Resolution No. R-05-13, Enhancing the Water Conservation Ordinance, the developer agrees to incorporate water conservation guidelines. Pursuant to Water Authority Water Waste Reduction Ordinance, the developer agrees to incorporate design, installation, and maintenance practices to mitigate water waste.
4. **Financial Guarantee** - For any Master Plan Infrastructure required to be constructed by Developer herein, the Developer shall provide a financial guarantee in the form of a property lien that is acceptable to the Water Authority as assurance that the Master Plan Infrastructure will be completed and placed in service.
5. **Termination.** If construction of the Facility Improvements by the Developer has not been completed and accepted by the Water Authority within seven years of the effective date of this Agreement, this Agreement shall automatically terminate, and the Water Authority and the Developer shall have no further rights, obligations, or liabilities with respect to this Agreement, unless otherwise agreed in writing.
6. **Water for Construction.** During the construction of the Facility Improvements, the Developer agrees to utilize alternative methods as approved by the City of Albuquerque's Air Quality Division for dust abatement and control including compost from the Water Authority, if economically feasible. The Developers may purchase water for construction from the Water Authority from the nearest approved fire hydrant in accordance with the Water Authority's Water and Sewer Rate Ordinance. Water purchased from the Water Authority shall be used only for construction.
7. **Indemnification.** Until final acceptance of the Facility Improvements by the Water Authority, the Developer shall be solely responsible for the condition and maintenance of the Facility Improvements and the premises upon which the Facility Improvements are constructed. The Developer agrees to indemnify and hold harmless the Water Authority and its officials, agents, and employees from and against all suits, actions or claims of any character brought because of any injury or damage arising out of the design or construction of the Facility Improvements, or by reason of any act or omission, or misconduct of the Developer, its agents, employees or the Engineer or Contractor or its agents or employees. The indemnity required hereunder shall not be limited by reason of the specification of any particular insurance coverage in this

Agreement. Nothing herein is intended to impair any right or immunity under the laws of the State of New Mexico. The indemnification by the Developer herein does not extend to the negligent acts of the Water Authority.

8. Representations and Warranties of Developer. The Developer represents and warrants that:

- A. Developer is a validly existing limited liability company under the laws of the State of New Mexico.
- B. Developer has all the requisite power and authority to enter into this Agreement and bind the Developer under the terms of the Agreement; and
- C. The undersigned officer of the Developer is fully authorized to execute this Agreement on behalf of the Developer.
