Good Afternoon,

I am writing behalf of my client Joe Romero, who had his lots on Aguila conjoined last year when he was planning to build his house on it. Since then there has been a change in plans and my client would like to divide the lots again as they were before. These lots will be resold and new houses will be built on them. The lots are untouched, still in the same condition as before. The existing conditions of this lots are just dirt, rock, and weeds. Please let me know if you have any questions.

Thank you,

Maia Martin
