Dear Will,

Thank you for your email and for providing the details regarding the request for an MDS ARC review for the additional building on the Netflix campus.

We have reviewed your request and are pleased to inform you are approved to proceed. We understand that this building is a virtual duplicate of another utilitarian building on the north side of the campus, south of Eastman Ave, and it will be utilized for warehousing vendor supplies.

If you have any questions or require further information during this process, please do not hesitate to reach out to us. Thank you for your cooperation.

Best Regards,

Jerome Gonzales
