Re: Sketch Plat Update: Prada -Tracts 1 Through 26 (Being a Replat of Tract 18, Bulk Land Plat - Tracts 1 Through 18, Artiste) PR-2023-008999 / PS-2023-00134

Dear Development Facilitation Team,

This letter is to serve as a request to update our current Sketch Plat Submittal (PS-2023-00134) which is scheduled to be heard August 16th in order to include future ROW dedication. Tracts 1 through 26, derived from the Bulk Land Plat, Tracts 1 through 18, Artiste had a blanket easement recently released with the filling and recordation of Plat Tracts A thru M City Center, document number 2023039537. This allowed ROW to be dedicated through Tracts A thru M, and sufficiently released ROW for Tracts 1 through 26.

With this information we have updated the DFT application form, accordingly, please replace the previous submission in order for this updated Sketch Plat Submittal to be heard in its place to be heard during the August 16th Development Facilitation Team hearing.

Sincerely,

Michael Balaskovits, P.E

Re: Request for Sketch Plat Prada -Tracts 1 Through 26 (Being a Replat of Tract 18, Bulk Land Plat - Tracts 1 Through 18, Artiste) PR-2021-005628

Dear Development Facilitation Team,

This letter is to serve as the written description of the subject request. Mesa del Sol is anticipating the development of the Commercial and Residential area south and west of the City Center area, and the employment center east of University Blvd and south of the UNM land. This sketch plat is in support of the future development, and we anticipate submitting this package as a Bulk Land platting effort. Please provide comments and confirmation of our approach to this platting effort.

Please review this request and schedule it to be heard during the August 2nd Development Facilitation Team hearing.

Sincerely,

Michael Balaskovits, P.E
