Re: Justification Letter for Vacation of 10' Power and Communications Easement | Lot 2-B of Final Plat for Lots 2-B-1 thru 2-B-6 American Square (PR-2024-009947)

Dear Development Hearing Officer,

Bohannan Huston, Inc. is submitting for the Vacation of Power and Communications Easement to be heard on December 17, 2025. The 10' Easement is located on Lot 2-B and will be vacated with the filing of Final Plat for Lots 2-B-1 thru 2-B-6 American Square. The easement will no longer serve its intended purpose with the reconfiguration of the lots mentioned above with the proposed platting action.

We have been in communication with the utility entities in this area for this easement. They are aware we are requesting this vacation and that we will be granting a replacement easement(s) as necessary for the reconfiguration of the new lots.

Per IDO 6-6M(3)(b), there is a net benefit to the public welfare because the development made possible by the vacation is clearly more beneficial to the public welfare than the minor detriment resulting from the vacation. Since the originally required easements are no longer necessary, due to the reconfiguring of the site, we are submitting for the vacation of this easement.

We are requesting to please review the documents accompanying this application and to place this Vacation on the above-requested DHO hearing date.

Sincerely,

Kelly Klein, PE
Senior Project Manager
Community Development and Planning
