Re: Bldg Permit BP 2024-26936
From: Susan Austin Manager, Epaque LLC
Owner of 503 Bellamah Ave NW

Please accept this as a request to proceed with removal of old plat lines for the referenced property. It shows on Plat as J14

with several plat lines crossing our lot, which is a single family home. The lines on the city plat map do not match the legal description.

I hereby authorize Sal Lozano of Enchantment Design + Remodelling LLC to apply for the re-draw on my behalf.
