Why isn't someone in the city responsible for handling complaints and making sure that they are addressed?

Holes in the street and bike lanes everywhere which are hazards just waiting to maim someone. They need to be properly repaired.

Previously reported to the city - three weeks later none are repaired.

"Holes in truchas are a hazard for bicyclists that use Truchas. Nw corner truchas and kelly, se corner truchas and el morro, hole in front of 6301 truchas ne. thanks for any help."
