RE: DRAINAGE PLAN FOR OASIS MINIATURE GOLF
(B-14/D6) ENGINEER'S STAMP DATED APRIL 29, 1991

Dear Mr. Crawford:

Based on the information provided on your resubmittal of May 24, 1991, the referenced site is approved for rough grading.

Building permit will be released once we receive and review the required revised plan. I recommend that you resubmit the revised plan addressing both my comments and Mr. Anderson's comments as soon as possible so as not to delay the issuing of the building permit.

If I can be of further assistance, please feel free to call me at 768-2650.

Cordially,

Bernie J. Montoya
