PE Stamp: **4-28-2014**

Dear Mr. McGee:

Based upon the information provided in your submittal received 4/30/14, the subject Grading Plan is approved for Grading and Paving Permit.

*As we discussed at the site, given the owner's long term desire to construct a building at the site of the proposed pad on this plan, it is recommended they investigate applicable Building Permit requirements, to ensure the suitability of this layout.*

Following completion of these improvements, please provide an Engineer Certified, "Record Drawing" for our files, to document site conditions.

If you have questions, please email me or telephone 505-924-3994.

Sincerely,

Gregory R. Olson, P.E.  
Senior Engineer
