Dear Mr. Broughton,

Based on the Certification received 01/21/2014, the site is acceptable for a release of **120 Days Temporary Certificate of Occupancy** by Hydrology.

During an on-site inspection there is a concern with the slopes along the fence line on the South side of the property. Please provide a plan mitigating the slope along the fence on the South side of the property.

If you have any questions, you can contact me at 924-3695.

Sincerely,
