Dear Mr. Roybal

This letter shall serve as acceptance of the work done in and around the South El Camino Diversion structure west of I-25. Installation of the new access road and the re-working of the wire-tied riprap are acceptable to AMAFCA. This portion of the project has been completed to the satisfaction of AMAFCA.

AMAFCA has reviewed the construction but has not received as-built plans for the above referenced project.

If you have any questions please call me at 884-2215.

Sincerely,
AMAFCA
