Mr. Means,

As per the Owner's request, effective today, January 4, 2018, the existing Hydrology approval for a Temporary Certificate of Occupancy for 5201 Balloon Fiesta Parkway is extended another 30 days to February 4, 2018.

If you have any questions, please contact me.

Renee,

The contractor is working on the corrections, but will not finish for a few more weeks with the holiday break upcoming. We would like to request an extension to the 30 day temp CO. Please let us know if you can extend this approval another 30 days to allow time to complete ad for us to verify and certify.

Thank you,

Graeme Means
