**Re: Peaks at Markana Phase 2 - 6500 Glendale
Erosion and Sediment Control Plan
Engineer's Stamp Date 2/2/2023 (B18E029)**

Mr. Tolman,

Based upon the information provided in your submittal received 2/2/2023, the above-referenced ESC Plan is approved to be in the SWPPP and in the Work Order Plans.

Please use the previously approved ESC Plan dated 1/10/23 and that signed NOI in the Building Permit Plan sets.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes

James D. Hughes, P.E.
Principal Engineer, Planning Dept.
