Hydrology Department,

It is understood by Desert West Development Ltd LLC, owner, developer and builder of a single family dwelling at 7720 Glendale Ave NE, that in order to receive a Certificate of Occupancy from the City of Albuquerque, that all grading and drainage and infrastructure must be in place and approved by the City of Albuquerque per plans by Goodwin and Associates.

Desert West Development Ltd LLC will assume all liability and defend and hold harmless the City of Albuquerque against any and all claims related to the grading and drainage of this property.

Sincerely,

Randall J. Schmille, Managing Member
