Re: Final Grading and Drainage Certification Durango Unit 4 Subdivision; DRB Case No. PR  
2018-001996; Hydrology File C09D012

Dear Ernest,

We are submitting a final grading and drainage certification for Durango Unit 4 Subdivision for Financial Guaranty Release. Enclosed for your review is the approved grading and drainage plan dated 08/12/15. These lots have been graded; retaining walls and curb and gutter have been constructed.

After reviewing these as-built elevations and visiting the site on 05-03-2021 it is my belief that the subdivision has been graded in substantial compliance with the approved grading and drainage plan and that the interim drainage improvements allow runoff to be managed in the interim condition.

Your review and approval is requested for Financial Guaranty Release for the above listed buildings. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Josh Lutz, P.E.  
Project Engineer  
Community Development & Planning
