Re: PDN between Golf Course and Kimmick Drainage Report
Engineer Stamp 8-16-04 (C11/D1)

Dear Mr. Aguirre,

Based upon information provided in your submittal dated 8-20-04, the above referenced study is approved as a masterplan for the PDN corridor. Prior to Work Order signoff, AMAFCA concurrence is required. It appears the outfall for Paseo del Norte should be designed for approximately 630 cfs.

If you have any questions, you can contact me at 924-3986.

RE: Paradise Hills United Methodist Church Parking Lot Improvements Grading and Drainage Plan.

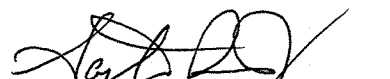

Engineer's Stamp dated 6-21-04 (C-12/D11)

This letter is written to certify that the above referenced project has been completed accorded to the City of Albuquerque approved plans referenced above. There were no changes or modifications done in the field during the construction phase of this project.

The drainage opening through the masonry block wall has been completed per our discussions.

Please call me on my cell 505-400-3845 if you have any questions or need any additional information.

Sincerely

Santiago Romero Jr. PE & PS
