RE: DRAINAGE PLAN FOR A 50'X80' BUILDING FOR DOUG WEIGEL (C17-D1LL)
ENGINEER'S STAMP DATED 5/19/94.

Dear Mr. Lovelady:

Based on the information provided on your May 20, 1994 submittal, the above referenced site is approved for Building Permit.

Please attach a copy of this approved plan to the construction sets prior to sign-off by Hydrology.

Also, prior to Certificate of Occupancy release, Engineer Certification per the D.P.M. checklist will be required.

The Zoning Department may require some asphalt parking spaces. I recommend that you check and if so, you will need to update the drainage plan.

If I can be of further assistance, please feel free to contact me at 768-2667.

Sincerely,

Bernie J. Montoya
