Inspection Form Instructions Review each question for this inspection carefully, then answer YES, NO, or N/A (compliance, press the "Add Action Item" button above to add a corrective action	
General Information	
<u>Inspector's Qualifications</u> Trained and work experience - see inspector qualification page in section 2 of the	e SWPPP.
Type of Inspection:	Regular During storm event
	Post-storm event
Weather Information	
<u>Last Storm Event Information</u> For information on the last storm event, see the weather event information at the	ne end of this inspection.
Weather at time of this inspection?	Clear Cloudy Rain
	Sleet Snowing High Winds
	Partly Cloudy
Have any discharges occurred since the last inspection?	Yes No
If yes, what did the water look like at the time of the discharge?	Clear Partly Turbid Very Turbid
Are there any discharges at the time of this inspection?	Yes No
If yes, what did the water look like at the time of the discharge?	Clear Partly Turbid Very Turbid
Is a rain gauge installed on site?	Yes No
If yes, where is it located?	Nearby gauge, NOAA, COCORHAS and Weather Underground monitored for "Weather Events".
Has the Rain Event Page been filled out?
