Dear Mr. Wooten,

Based upon the information provided in your submittal received 8/20/2019, the above referenced plan is approved to be included in the SWPPP and for NOI documentation review for grading and Building Permit approval.

This project is NOT approved for earth disturbance, grading and Building Permit until the EPA Notice of Intent (NOI) documentation, Certified by a duly authorized representative of the property owner, has been reviewed and signed by the City.

Both the approved plan and the NOI signed by the City must be included in the Building Permit Plan set.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes, P.E.
