Dear Mr. Soule,

Based upon the information provided in your submittal received 1-28-14, the above referenced plan and report are approved for Preliminary Plat action by the DRB.

Grading Permit can be approved after the DRB has approved the Preliminary Plat and the Erosion and Sediment control plan has been approved and accepted.

If you have any questions, you can contact me at 924-3986 or Rudy Rael at 924-3977.

Albuquerque

Sincerely,

Curtis Cherne, P.E.
