Subject: APS La Cueva ISP and Weight Room Renovation
Date: Thursday, May 26, 2016 4:40:00 PM

We have received the TCL submittal for BP for the La Cueva HS renovations. Please send us some further information regarding the changes to the entire site. Mrs. Crytal Metro is no longer with COA, so we are not familiar with the project. We will also need usual details and dimensions, such as parking space dimensions, drive pad entrance widths, sidewalk width, etc.

Thank You,
