Albuquerque, NM 87103

Reference: C19D062 - 7500 OAKLAND AVENUE - GRADING PLANS - Project No -
1010273

Dear Mr Cherne

On behalf of the Eagle Rock Worship Center , I hereby approve the grading and drainage concept proposed by the owners of Lot 13- Adil Rizvi and Shakeel Rizvi. The above referenced property is West of Lot 14 , which belongs to the Eagle Rock Worship Center.

The property owners of Lot 13 have agreed to build a drainage channel along the West Property Line of Lot 14 (Church Property) and also build a new sidewalk culvert on Oakland Avenue according to the proposed grading and drainage plans. The entire cost of construction for the drainage channel and the sidewalk culvert shall be the responsibility of the owners of Lot 13. The Eagle Rock Worship Center shall be responsible to maintain the drainage channel and the side walk culvert. Please call me if you have any questions.

Sincerely

Paul Reyes
Senior Pastor
