**RE: Grading and Drainage Plan for George Residence, Lot 19, Block 3, Tract 3, Unit 3,
NAA, (C20/D18) Engineer's Stamp Dated 2/28/98.**

Dear Mr. Bordenave:

The above referenced property is not located within a special flood hazard area as defined by FEMA. The plan shows that the proposed residence is located beyond the erosion setback limit therefore, this plan is acceptable for Building Permit release.

If you have any questions, or if I may be of further assistance to you, please call me at 924-3982.

Sincerely,

Susan M. Calongne, P.E.
