**RE: GRADING & DRAINAGE PLAN FOR VINEYARD PARK (C-20/D²³~~22~~)
RECEIVED JUN 16, 1999 FOR GRADING PERMIT & WORK ORDER
ENGINEER'S STAMP DATED 6/16/99**

Dear Mr. Stidworthy:

Based on the information included in the submittal referenced above, City Hydrology accepts the Grading Plan for Grading Permit. Prior to Work Order, the following comments must be addressed:

FIRM #35001C0141 D, effective date 9-20-96, indicates that there is a FHZ A0 depth 1" along the south edge of the Park. Note this in the DMP and show the FHZ boundary on Sheet 3. If the Park develops further before the North Domingo Baca Arroyo is improved, then an erosion set back will be required.

If I can be of further assistance, You may contact me at 768-2727.

Sincerely,

John P. Curtin, P.E.
Project Manager, PWD/Hyd

c: Inspector
