P.O. Box 1293
Albuquerque, NM 87103

October 12, 2012

Re: LOMR for La Cueva Arroyo East of Barstow,
City Project No. 757781, ZAP C-20

Dear Mr. Dourte:

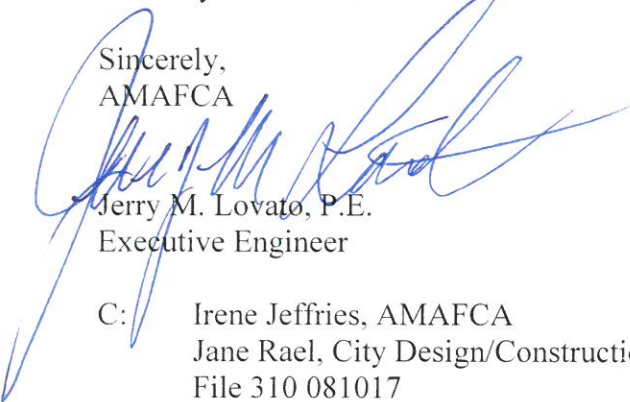

The Letter of Map Revision (LOMR) for the referenced project, dated June 27, 2012, was received from FEMA and will become effective November 8, 2012. Per the Memorandum of Understanding (MOU) for the transfer of payment between the City and AMAFCA, dated April 8, 2011, I am transmitting this letter as an invoice for reimbursement for additional work to complete the LOMR.

The MOU identified remaining SIA funds in the amount of \$37,223.80. AMAFCA invoiced the City for \$25,327.77 in September 2010, and the City paid that amount in July 2011 (see City check stub attached to the MOU). That leaves a remainder of \$11,896.03 in SIA funds. The costs incurred by AMAFCA total \$12,244.83; therefore, we request payment of the remaining full amount of \$11,896.03. Please remit payment to:

AMAFCA
2600 Prospect Ave. NE
Albuquerque, NM 87107

Attached are a copy of the MOU, a spreadsheet with the summary of costs, the invoices from Weston and Terracon and check stubs. Weston performed work to provide information to and coordinate with FEMA, and Terracon performed geotechnical analyses to satisfy FEMA's requirement to show stability of the levee. If you have any questions, please call me or Lynn Mazur at 884-2215.

Sincerely,
AMAFCA

Jerry M. Lovato, P.E.
Executive Engineer
