Re: Partial Grading and Drainage Certification (Lots 1-7 and 13-19) Montecito Vistas Unit 2 - DRB Case No. 1009506

Dear Doug:

We are submitting a partial grading and drainage certification for Montecito Vistas Unit 2. The partial certification includes Lots 1-7 and 13-19. Enclosed for your review is the approved grading and drainage plan dated 10/13/16. These lots have been graded; retaining walls, curb and gutter have been constructed. In addition, all storm drain for Montecito Vistas Units 1 and 2 has been constructed, including the outfall to the Middle Branch of the Boca Negra Arroyo.

After reviewing these as-built elevations and visiting the site on 02/21/18. It is my belief that the above lots have been graded in substantial compliance with the approved grading and drainage plan and that the interim drainage improvements allow runoff to be managed in the interim condition.

Your review and approval is requested for Building Permit Approval for the above listed lots. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Scott J. Steffen, P.E.
