Re: Partial Grading and Drainage Certification Lots 23-25 Montecito Vistas Unit 4 - DRB Case  
No. 1009506

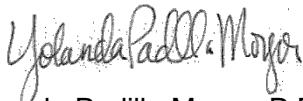

Dear Renée:

We are submitting a partial grading and drainage certification for Montecito Vistas Unit 4. The partial certification includes Lots 23-25. Enclosed for your review is the approved grading and drainage plan dated 10/13/16. These lots have been graded; curb and gutter and downstream infrastructure have been constructed.

After reviewing these as-built elevations and visiting the site on 6/20/2019, it is my belief that the above lots have been graded in substantial compliance with the approved grading and drainage plan and that the interim drainage improvements allow runoff to be managed in the interim condition.

Your review and approval is requested for Building Permit Approval for the above listed lots. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Yolanda Padilla Moyer, P.E.
