Re: Final Grading and Drainage Certification Montecito Vistas Units 1 and 2 - DRB Case No. 1009506

Dear Doug:

We are submitting the final grading and drainage certification for Montecito Vistas Units 1 and 2. Enclosed for your review is the approved grading and drainage plan dated 10/13/16. These lots have been graded; the tiered retaining walls in the HOA tract to the east of the lots, curb and gutter have been constructed. In addition, all storm drain for Montecito Vistas Units 1 and 2 has been constructed, including the outfall to the Middle Branch of the Boca Negra Arroyo.

After reviewing these as-built elevations and visiting the site on 7/18/18, it is my belief that the above lots have been graded in substantial compliance with the approved grading and drainage plan.

Your review and approval is requested for Release of Financial Guaranty for Montecito Vistas Units 1 and 2. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Scott J. Steffen, P.E.
