Re: Final Grading and Drainage Certification La Cuentista Subdivision Phase 3; DRB Case No. PR- 2021-004968; Hydrology File D10D002D

Dear Tiequan,

We are submitting a final grading and drainage certification for La Cuentista Subdivision Phase 3 Financial Guaranty Release. Enclosed for your review is the approved grading and drainage plan dated 12/10/2021. These lots have been graded; retaining walls and curb and gutter have been constructed.

After reviewing these as-built elevations and visiting the site on 10/16/2025 it is my belief that the above lots have been graded in substantial compliance with the approved grading and drainage plan and that the interim drainage improvements allow runoff to be managed in the interim condition.

Your review and approval is requested for Financial Guaranty Release for the above project. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Yolanda Padilla Moyer, P.E.  
Vice President  
Community Development & Planning
