Re: Proposed - Paseo del Norte Industrial Park, File No. D17/D-67,  
Engineer's stamp dated November 18, 1998.

Dear Jeff,

Based on our consultant's review of the referenced plan, I can grant you preliminary plat approval, final plat approval and a rough grading permit. Final plat sign-off will require an executed Subdivision Improvements Agreement (SIA) with financial guarantees.

Regarding rough grading approval, please forward the original rough grading mylar for my signature. The Work Order plans will be approved with the submittal of the construction plans to DRC. Additionally, please address comments B, C & E from Smith's letter dated December 31, 1998. (copy attached).

Sincerely,
