Reference: Vertical Roller Mill System Project – Site Construction

Mr. Slater,

As requested, this letter is in reference to the American Gypsum Vertical Roller Mill Installation project, BP-2022-07667. Industrial Ally, agent for American Gypsum Company and engineer of record, was involved through the duration of the project's construction and has not made any modification to the approved site plan. We certify that to the best of our knowledge the project was built according to the approved Site Plan.
