Erosion and Sediment Control Plan
Engineer's Stamp Date 7-6-16 (D17E106)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 7-12-16 the above referenced plan is approved to be included in the SWPPP and to apply for an ESC Permit for grading.

Stormwater Quality wants to see the Work Order construction plans prior to approving the plan to be included in the Work Order construction plan set. A new submittal may not be required and a letter will be written once the Work Order construction plans are reviewed.
