Re: Chevron Corner Market, Palomas Avenue / San Pedro Drive NE, Site Development Plan

Engineer's Stamp dated 4-07-05 (D18-D49)

Dear Mr. Lorenz,

Based upon the information provided in your submittal received 4-06-05, the above referenced plan is approved for Site Development Plan for Building Permit action by the DRB. However, the above referenced plan cannot be approved for Building Permit until the following comments are addressed:

Albuquerque

P.O. Box 1293

- 1. Clearly define which items will be built under work order. Will the proposed storm drain referred to in keyed note 9 be built under work order?
- 2. Provide invert elevations and details for all proposed drainage structures.

New Mexico 87103

If you have any questions, you can contact me at 924-3981.

Requests for approvals of Site Development Plans and/or Subdivision Plats shall be accompanied by a drainage submittal. The particular nature, location and scope of the proposed development defines the degree of drainage detail. One or more of the following levels of submittal may be required based on the following:

- 1. **Conceptual Grading and Drainage Plan**: Required for approval of Site Development Plans greater than five (5) acres and Sector Plans.
- 2. **Drainage Plans**: Required for building permits, grading permits, paving permits and site plans less than five (5) acres.
- 3. **Drainage Report**: Required for subdivisions containing more than ten (10) lots or constituting five (5) acres or more.
