RE: PALOMAS PARK PHASE II - PROJECT NO. 4510.80 (MAP NO. D-19)

Dear Mr. Adams:

This is to acknowledge that the terms and conditions set forth in the Agreement to Construct Subdivision Improvements of public/private infrastructure, between yourself and the City of Albuquerque, for the referenced noted project have been met. These improvements have been certified by City of Albuquerque Construction Management Division as being constructed in compliance with the plans and specifications approved by the City. These improvements consist of:

- 1.) Installation of curb & gutter, pavement, water mains & services, sanitary sewer mains & services. Storm drainage on Cardiff Avenue from Storrie Place to cul-de-sac. Storrie Place and Palomas Park Avenue as shown on plat of Palomas Park Subdivision Phase II.

Release of Agreement and Financial Guaranty are being processed at this time and a copy of the document will be forthcoming.

Should you have any further questions regarding this matter, please do not hesitate to contact LyndaMichelle DeVanti at 768-2515.

Sincerely,

Ricardo B. Roybal, P.E.
City Engineer

RE: VILLA PALOMAR PHASE III, (D19-D13B) SUBMITTAL RECEIVED MAY 20, 1993
FOR GRADING PERMIT APPROVAL, ENGINEER'S STAMP DATED MAY 20, 1993.

Dear Mr. Mortensen:

Based on the information provided on your submittal, the above referenced grading plan is approved with the following understanding:

AMAFCA

AMAFCA agrees to take full responsibilities for any damage that their channel may incur as a result of the proposed grading. Additionally, they agree to accept full responsibilities for any damage that downstream properties may incur as a result of the grading.

PARKS DEPT.

The Parks department will confirm to this office that the subject site cannot be used for any other purpose but a park site, or the land will revert back to AMAFCA. They also agree to accept full responsibility for the off-site flows shown on the plan.

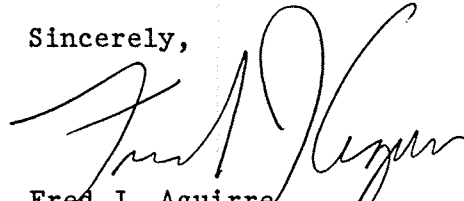

PUBLIC WORKS DEPARTMENT

Jeff Mortensen
Page 2

MORTENSEN & ASSOCIATES

Mortensen & Associates will update the drainage plan, using AHYMO, to confirm the off-site flows. The plan will include the existing floodplain as shown on panel 10 of 50 of the FIRM map. These updates can be incorporated with the certification submittal. I might add the certification will be per the DPM checklist.

Sincerely,

Fred J. Aguirre
City Hydrologist, PWD

Re: AMAFCA Villa Palomar Phase III Grading
Your letter of December 7, 1993

Dear Mr. Montoya:

This letter shall serve as AMAFCA's confirmation of the final grading done at the above site. The grading and reseedling are acceptable to AMAFCA as completed.

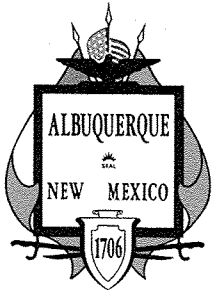

Please contact me if you have any questions.

Sincerely
AMAFCA
