**Re: Palomas Peak Offices - 8310 Palomas Ave NE  
Erosion Sediment Control Plan  
Engineer's Stamp Date 2/4/2020 (D19E031 )**

Dear Ms. Durkin,

Based upon the information provided in your submittal received 2/11/2020, the above referenced plan is approved to be included in the SWPPP and to apply for an ESC Permit/eNOI for Grading and Building Permit with the condition that the pond be constructed as one of the first items of construction to act as a temporary sediment trap during construction.

The EPA Notice of Intent (NOI) documentation has been reviewed and signed by the City and is attached, so this project is approved for earth disturbance and Building Permit.

Please include a copy of the approved plan along with a signed copy of the NOI in the Building Permit plan set.

If you have any questions, you can contact me at 924-3420 or [jhughes@cabq.gov](mailto:jhughes@cabq.gov).

Sincerely,

James D. Hughes, P.E.  
Principal Engineer, Planning Dept.  
Development and Review Services
