RE: DRAINAGE PLAN FOR ARCHIBEQUE DUPLEX TOWNHOUSES
(E11-D29) ENGINEER'S STAMP DATED 3/5/96.

Dear Mr. Lee:

Based on the information provided on your March 6, 1996 submittal, the above referenced site is approved for Building Permit.

Please be advised that a separate permit is required for construction within City Right-of-Way. A copy of this approval letter must be on hand when applying for the excavation permit.

Also, please attach a copy of this approved plan to the construction sets prior to sign-off by Hydrology.

The building permit will not be issued until our office receives a filed copy of the required access/drainage easement document.

Also, prior to Certificate of Occupancy release, Engineer Certification per the D.P.M. checklist will be required.

If I can be of further assistance, please feel free to contact me at 768-2667.

Sincerely,

Bernie J. Montoya, CE
Engineering Associate
