Subject: RE: E12-D006A Dairy Queen at 6370 Coors NW

Greg,

Per our discussion a few minutes ago, we covered the original \$50 submittal fee for building permit approval back in 2006. This submittal was a piggy back onto the original approval so we could implement some of the LID requirements at Curtis' direction.

If there is anything else you need let me know.

Thanks and we appreciate your help on this!

Ron / Jeff,

Attached for your files is the approval letter for this project.
 This Grading & Drainage Plan, stamped 8-30-2012, is Approved for Grading Permit and Building Permit.

Also attached, for your use on all future submittals, is a copy of the current Drainage and Transportation Information Sheet, with a copy of the fee schedule on the back.

Note: Our records indicate that the Drainage Permit Review fee for Building Permit on this project (\$50.00) is still owed for this drainage review.

If that fee has been paid, please send me a copy of the City receipt for our records.

If NOT, please make payment to City Treasurer and send me a copy of the receipt ASAP.

If you have any questions, please feel free to call me.

Thanks,
Greg Olson

Greg,
 Just checking in to see how you are coming along on the plan review for the Dairy Queen at Coors/Bosque Plaza. Let me know if there is anything else you need from me.
 Thanks,

Jeff,
 I received the SWPPP verification, as you did, with a date of 9-20-12. What exactly does this mean? Are we good to break ground on the 20th?

Also, what have we heard from the city? Seems like we ought to have our permit by now. What can we do to speed this up?

Thanks,
 Kevin
