Engineer's Stamp 02-19-18 (E12-D006E)**

Dear Mr. Eddings,

Thank you for the TCL submittal received 02-21-18. The above referenced plan is not required to go through the TCL process. Due to the existing zoning, this project is site plan controlled and will need to be submitted through the appropriate Board, (EPC, DRB, and AA) for approval. Verify with the Zoning Department for the correct Board approval. If this plan has already been approved by one of the Boards, be sure to include it in the plan set when applying for building permit.

If you have any questions feel free to call me at 924-3630.

Sincerely,

Albuquerque
